*"I would like to think that the pioneering days of Rotary have only just begun. There are just as many new things to be done as ever there were.*

*Kaleidoscopic changes are taking place, many of them without our will. Even to hang on to the fringe of this fast-changing world is about all most of us can do. Rotary simply must continue to pioneer or be left in the rear of progress."*

*~ Paul Harris wrote in the Rotarian February 1945*

**Remember to leave \$5.00 if you leave before 1:00 PM**

### TODAY'S SONG

#### God Bless America

God bless America, land that I love  
Stand beside her and guide her  
Through the night with the light  
From above

From the mountains to the prairies  
To the oceans white with foam  
God bless America,  
My home sweet home.  
God bless America,  
My home sweet home.

### INDRA NICHOLAS

My husband, Kurt, and I have lived in Grants Pass for 10 years. We are migrants from Sacramento, California. We have been married for 14 years! We have four children: Caeman-11, Keil-9, Kayna-8 and Cole-3. Kurt teaches 6<sup>th</sup> grade at Lincoln Savage Middle School, but longs to be a farmer, as his ancestors are from the dustbowls of Oklahoma. I am also a teacher, but changed career paths last year when we purchased a franchise business called Home Instead Senior Care. I attempt to run the business when I'm not running around after kids or otherwise going insane. I no longer have time to clean house or do laundry---rats! I manage to cook dinner, at times. I love my job; it's extremely rewarding and I get to meet lots of great people in this wonderful community.

I don't have much time for hobbies, but what I like to do in my spare time is sleep (if only....). I love sports of all kinds, except perhaps Nascar racing, which seems rather boring. I even find myself watching golf on TV at times, which tells me that I'm really getting old. I also enjoy reading, especially late at night when the house is quiet and I can sneak treats without having to share them with anyone. I am so not a morning person! And, I want to travel when I grow up!
